tivoli mist offers a flexible range of commercial carpet tiles, designed to provide creativity, colour and individuality.

With colour pairings that blend seamlessly together, **tivoli mist** affords the possibility of transitioning from one zoned area to another without the use of hard lines.

Made using 100% solution dyed nylon and achieving class 33 heavy commercial use in technical testing, the product has the durability of the core tivoli range, with the added diversity of a multitude of installation design options.
